February 28, 2017

DEAR BAND MEMBER:

This is in response to recent comments made on Facebook regarding the mail-out questionnaire on the Global Land Claim Settlement issue.

Many complaints have been received from KZA members regarding the February 28, 2017 return date indicating that this is not sufficient time for them to respond.

The idea behind the selected date of February 28th, 2017 was to have the questionnaire returned to KZA within a reasonable time frame.

Please disregard the return date of February 28, 2017. In order to allow for more time, all KZA members have until mid-March 2017 to respond to the questionnaire.

Please accept our apologies for any inconvenience this may have caused you.
