INTRODUCTION

The Kitigan Zibi Education Sector's Post Secondary Student Support Program is designed to assist registered Kitigan Zibi Anishinabeg members to acquire college and/or university qualifications within the designated funding period. It is the hope of the Kitigan Zibi Anishinabeg that such individuals will become economically self-sufficient and may realize their individual potentials for contribution to their Algonquin Nation, to other First Nations and to Society at large.

The Post Secondary Student Support Program Public University Policy provides for financial assistance (subject to funding availability) to individuals who have been accepted by a public accredited University program which normally requires completion of secondary school as a minimum academic requirement. This includes those persons who are accepted with lesser academic qualifications in recognition of the applicant's maturity and potential for success in their chosen field of study.

The Kitigan Zibi Education Sector Post Secondary Student Support Application and the Application Checklist forms for financial assistance are an integral part of this policy.

For the purpose of this document, any interpretation is that of the Kitigan Zibi Education Sector. All requests for clarification should be immediately directed to the Post Secondary Student Support Program Officer or to the Director of Education. The Kitigan Zibi Administration Office is located at 37 Kikinamage Mikan.

Any modifications to be made to the Post Secondary Student Support Program Policy will be implemented by no later than 60 days after being officially approved by the Kitigan Zibi Education Sector.

The 2018-2019 academic year may be the last guaranteed year of funding as the Government of Canada is currently reviewing the Post Secondary Student Support Program. Please contact the Post Secondary Student Support Program Office for more information.

1.0 ELIGIBILITY CRITERIA

To be considered for assistance under the terms of the Kitigan Zibi Education Sector's Post Secondary Student Support Program Public University Program, it is necessary that:

- 1.1 The applicant must be a registered Kitigan Zibi Anishinabeg member and the application must be made to the Kitigan Zibi Education Sector Administration – Post Secondary Student Support Program Office by the deadlines established per each semester;

STUDENTS WHO ARE RECEIVING OR ARE ENTITLED TO FUNDING FROM THE CREE SCHOOL BOARD OR ANY OTHER SELF-GOVERNMENT AGREEMENT ARE NOT ENTITLED TO RECEIVE FUNDING FROM THE KITIGAN ZIBI EDUCATION SECTOR POST SECONDARY PROGRAM.

AND

- 1.2 The applicant must have attained university entrance requirements through successful completion of secondary school studies and have been accepted for registration by a public Canadian University, into a program of studies which has secondary school graduation or its equivalent as a normal prerequisite to registration. Under no circumstances will funding be provided to attend private post-secondary institutions;

OR

- 1.3 As of 2012 - 2013, post secondary studies outside of North America will NOT be funded. Post Secondary Students must make every effort to study in Canada. In limited circumstances, the Kitigan Zibi Anishinabeg Post Secondary Student Support Program will fund studies (to a limited extent, if and when a program is NOT available in Canada) in the United States (in a public institution).

This request must be preapproved. Upon approval there is a \$30,000 limit in Canadian funds (CA); this includes any tuition fees, required textbooks/special equipment, materials and living allowances, travel and any other required training expenses.

AND

- 1.4 As of 2018 – 2019, post secondary students must be a resident of Canada for 12 months prior to applying for Post Secondary Funding from the Kitigan Zibi Anishinabeg.

AND

- 1.5 Furthermore, the Kitigan Zibi Education Sector Post Secondary Program will only provide funding for recognized Public Post Secondary institutions. Therefore, private schools (i.e. 'Centres des formations Professionnelles') are not covered under the Post Secondary Student Support Program. For a full list of recognized institutions covered by the Program, please refer to the INAC website: <https://www.aadnc-aandc.gc.ca/eng/1429541743524/1429541857774>
- 1.6 The applicant who wishes to obtain funding for a Fast Track and/or a program of studies for which the tuition fees are 10% higher than regular program tuition fees/costs, will have their request reviewed on an individual basis for acceptance or refusal, subject to overall program costs and funding availability for the given fiscal year. The normal funding criteria for allowances may not apply in situations where the tuition and other fees are 10% higher than the regular tuition fees.
- 1.7 For specialized programs or technical programs at the college level and/or university level (in a public institution) in Canada, there will be a limit of \$35,000.00 in Canadian funds (CA) allocated for the total cost of the program. This amount includes tuition, books, equipment, materials and living allowances, travel and all other training expenses and is subject funding availability for the given fiscal year.
- 1.8 Students who have completed a Level 2 or Level 3 program, with or without assistance from the KZA, are ineligible for funding assistance for lower levels.
- 1.9 To be eligible to receive monthly living allowances the student must not have a balance higher than \$8,000 owing to the KZES Post Secondary Student Support Program.

AND\OR

- 1.10 If requesting tuition and books only support, not have a balance higher than \$500.00 owing to the Post Secondary Student Support Program. In order to receive tuition and books funding, the student must first establish a Payment plan with the KZES Post Secondary Student Support Program Office.

THERE ARE NO RETROACTIVE REIMBURSEMENTS OF ANY KIND. FUNDING AS PER THE KZES PUBLIC POST SECONDARY POLICY IS MADE AVAILABLE FROM THE PERIOD BEGINNING WITH THE OFFICIAL ACCEPTANCE OF THE STUDENT'S APPLICATION FOR FUNDING, AND AS PER THE TIME LINES ESTABLISHED IN THIS POLICY.

2.0 PROCEDURES FOR APPLICATION & THE PROVISION OF EDUCATIONAL ASSISTANCE

2.1 APPLICATION PROCEDURES

All persons who are interested in receiving educational assistance under the terms of this Program are asked to contact the Post Secondary Student Support Program Office at:

Kitigan Zibi Education Sector
Post Secondary Program Office
41 Kikinamage Mikan
Maniwaki QC J9E 3B1

Tel: 819.441.1581
Toll Free: 1.888.440.1275
Fax: 819.449.1246
Email: post.secondary@kza.qc.ca

- ❖ Please contact the Post Secondary Program Office in advance for an appointment if you require any assistance with post secondary funding.
- ❖ Both the Application Checklist and Funding Application forms can be found by visiting our community website at: <http://kzadmin.com/KZESPostSecondary.aspx>
 - I) The Post Secondary Student Support Program Application Form must be completed in full and returned with the following required documentation:
 - A. Must provide proof that the applicant's registration has been approved, all applicants for initial, renewed or conditional acceptance shall include a Letter of Acceptance from the university which the applicant plans to attend or a document indicating promotion and/or approval to continue studies from the post secondary educational institution which the applicant has most recently attended.
 - If an Acceptance Letter cannot be obtained, then a Letter of Confirmation - Appendix IV of the Post Secondary University Policy must be completed and signed by the designated person from the Office of the Registrar or Administration or a copy of the student's timetable/schedule will be required;
 - B. The Ministry of Training, Colleges and Universities has released updated tuition fee guidelines that all colleges in Ontario have implemented starting since the fall 2015. All full-time students, new and returning, in a post-secondary or graduate certificate program will be required to pay a \$500 non-refundable Tuition Deposit in their initial term during an academic year. This \$500 non-refundable Tuition Deposit will be used towards the balance of fees due for that term, and will secure the student's seat in their program for the entire academic year.

Sponsored students through the KZES Post Secondary Program will not be required to pay this \$500 Tuition Deposit in advance; however students will be required to have forwarded a sponsor letter to the college/university by the prescribed due date (refer to your institution's due date) in order to avoid losing their seat in their program. A Sponsorship Letter is forwarded to the student's institution upon approval of funding and will act as the \$500 Tuition Deposit.

Given the non-refundable nature of the Tuition Deposit, in cases where a student withdraws from their program during the refund period or chooses to no longer attend their program of studies, a \$500 fee will be invoiced directly to the Kitigan Zibi Education Sector. Sponsored students who withdraw after the refund period will have their full term fees invoiced. It is the responsibility of the student to inform themselves of this date. Most post secondary institutions have this information available to students and depending on the date of withdrawal, there may be a refund of the full tuition and ancillary fees paid for the term less the \$500 non-refundable tuition deposit.

If a student chooses to withdraw after the date as prescribed by the university, the student may be responsible to pay the full fees for that term and will not be eligible for a refund. Therefore, it is very important to keep these dates in mind to avoid having to repay the Post Secondary Program for tuition fees that have been paid on your behalf. Additionally, it is the responsibility of the student to "Officially Withdraw" from their program of studies at their institution and to provide a copy of this document to the KZES Post Secondary Student Support Program Office for your file.

- C. For continuing students, document/s indicating promotion and/or approval to continue studies from the post secondary educational institution which the applicant has most recently attended;
- D. The applicant must provide an official copy of their Course Schedule/Timetable from the institution (no hand written timetables will be accepted) of the Fall semester or provide a signed and completed Appendix IV (a second schedule will be required in January for the Winter semester);
- E. If the applicant is a continuing student, then the Original Academic Transcripts must be submitted from the previous semester in order to process the student application funding request;
- F. If the applicant is declaring dependents under their charge, then a copy of the child/ren(s) Medical Card and/or Birth Certificate is required on file. Please note that the parents' names must appear on these supporting documents.

DELAYS: Applications for educational reception require a reasonable delay between time of application and reception of the financial assistance. Delays may be due to the time required for the application to reach us, and the time required to process the application and have the cheque issued.

- II) Once the application has been approved by the Kitigan Zibi Education Sector, all students at College level will:
 - A. Be required to have their own active bank account and submit a voided or specimen cheque from the banking institution to the Post Secondary Student Support Program Office. This document must contain the address of the banking institution as well as the address of the student from when the account was opened from.
 - B. Receive allowances on a monthly basis at a date established by the Kitigan Zibi Education Sector Administration Office. Appendix X outlines the Direct Deposit Date Schedule. **Under no circumstances will allowances be given other than on the established deposit dates.**

2.2 RESPONSIBILITY OF STUDENTS

- I) Students receiving Educational Assistance under the terms of this Program shall be responsible for satisfying the academic requirements of the institution of higher learning in which they are enrolled and to produce documents at the prescribed time to the Post Secondary Student Support Program Office.

IT IS THE RESPONSIBILITY OF THE STUDENT TO INFORM THE KITIGAN ZIBI POST SECONDARY STUDENT SUPPORT PROGRAM OFFICE OF ANY CHANGES THAT MAY OCCUR TO A STUDENT AND THEIR STATUS.

FAILURE TO UPDATE THE KZES ADMINISTRATION/POST SECONDARY OFFICE MAY RESULT IN THE STUDENT IN HAVING TO REPAY THE POST SECONDARY PROGRAM BACK DUE TO RECEIPT OF UNJUSTIFIED OVERPAYMENTS.

- II) Parents of post secondary students under the age of 18 years old may request from the Post Secondary Student Support Program Office, for any information at any time concerning their child’s funding status with the Kitigan Zibi Education Sector. To do so, a parent must complete and sign Appendix IX of the Post Secondary University Policy. However, it is not the responsibility of the Post Secondary Student Support Program Office to keep the parents updated on the status of their child as a student, or to get any other information outside that required by the Policy. The parents have the responsibility to ensure that their child provides all necessary academic documentation to the Post Secondary Support Program Office as required for funding purposes.
- III) For Post Secondary students that are over the age of 18 years of age, a completed Release of Student Information form (Appendix XIII) will be required to designate who, other than the student, will have access to the students post secondary information if required. A completed and signed Release of Information Form (Appendix X) will be required for student information to be shared with a “Third Party”.

Introduction:

The purpose of the Post-Secondary Student Support Incentives Program is to recognize and provide scholarships for academic achievement to students at Level I as defined in the Post-Secondary Student Support Program Policy.

NOTE: Level 1 = College Level

Section 1

To recognize and provide scholarships to students in the area of Nursing, Dental, and Health Technician (does not include massage therapy), Child Studies/Youth Worker, Social Service Worker, Early Childhood Education at a College level program. Post secondary students who have successfully completed one full year of successful study in the designated fields may apply for a monthly scholarship of \$100.00 beginning from their second year of program study. This scholarship allocation will be awarded to students who continue to remain full time, succeed in 75% of their courses and remain in their program concentration. This scholarship shall not exceed \$800.00 per calendar year, \$100.00 per month Fall-Winter semesters only. Students who have applied and are in the process of receiving monthly scholarships but who do not meet the basic criteria will have their scholarship discontinued. Applications for this scholarship must be made on an annual basis.

Section 2

In recognition of post secondary students who have completed their requirements for College graduation, the Kitigan Zibi Education Sector may award graduation scholarships [subject to funding availability] to full time post secondary students at the College level. The graduation scholarships to be awarded shall be in the amount of \$150.00. The scholarships will be awarded as follows;

- 3) The student must make the request in writing and provide an official academic transcript for the graduation scholarship application to be considered.

All scholarships are subject to funding availability.

Conclusion:

The future of our community lies in a new generation that has a solid education and one which understands and is proud of its Aboriginal roots. The formal recognition of our post-secondary students is one way for the community to acknowledge their dedication and to demonstrate that we will actively support them in achieving their goals. Post-Secondary studies are challenging but they can be made achievable by a community that recognizes the many hurdles that our community members must go through to succeed at the Post Secondary level.

Scholarship applications will only be accepted for review between May 30 and August 15 of each year. Applicants will receive a reply within 15 days of the receipt of the application at our Education office. There shall be no retro-active review of scholarship applications.

All scholarships are subject to funding availability.
