

How to Fill Out a PDF Form

You can complete the Kitigan Zibi Education Sector's Post Secondary Funding Application by typing your data right on the form if the PDF is enabled for editing.

In this case, Adobe Reader displays the PDF in a window with menu and toolbar options to help you add text and save your completed form for printing or emailing as an attachment. If you already do not have Adobe Reader installed on your computer you may click [here](#) and the link will bring you to the Adobe Reader download page. Follow the instructions on the Adobe Reader site to install the application on your computer and then you will be ready to go!

Click on the following link to install Adobe Acrobat Reader on your computer:

<https://acrobat.adobe.com/ca/en/products/pdf-reader.html>

1. Open the PDF file with Adobe Reader. If the content is difficult to see, click the percentage drop-down button on the toolbar and select a different percentage value for viewing.
2. Click the large "Sign" button on the toolbar near the upper-right corner of the window. Another alternative is to click the "Sign, add text or send a document for signature" button (an icon with a pen signing a white document) on the toolbar. You may type in a signature and drag and drop it to the appropriate areas.
3. Click "Add Text" in the Sign pane to open the Add Text dialog box. Click in the PDF form where you want to insert your data and then start to type directly on the form.
4. Enter your data. Continue clicking the form fields and entering your text. Ensure to add your "digital signature" where needed.
5. Click the "File" menu, mouse over "Save As" and then click "PDF" to open the dialog box. Click a file location for the Save In field, such as your desktop. Type the filename in the field. Click "Save." Your completed form is ready to print or email to post.secondary@kzq.qc.ca
